Subject: Calendar

Here is the updated calendar until the end of the year. I have decided to schedule the Chili Cook-off until January since we are pretty busy and since we still need to do our Care Packages to our youth who are in school, service, or on their own away from home. (I will need your recommendation for reading material to include in their boxes)

Please let me know if I have something in the wrong place or forgot an event.

In Christ,

Carolyn Lamm
